

Sports and Fitness

There are many ways for the students to be active and get involved on the Campus. Our facilities - Fitness Center (Gym), Indoor Sports Courts, Outdoor Playing Fields - are only a few minutes' walk from the hostels and classrooms. They include indoor sports courts for table tennis, chess, carrom, plus pitches for cricket, basketball, volleyball, kabaddi, badminton, and tug of war. Alongside the actual sports, there are sporting clubs and a calendar of lively social events that are a key part of the Sarvepalli Radhakrishnan University Bhopal experience, in maintaining a healthy lifestyle on campus.
