SRK University is one of the finest engineering, Pharmacy, Dental, Nursing, Medical, Management, Homoeopathic institutions of Central India, maintaining an excellent academic record. The Group, carved a niche for itself in the corporate world and has lately become a synonym for campus placement. The Institute's Training and Placement Section provides a launch pad for students to make it to the best organizations in the fields of software, core industries, management, medical, pharmacy etc. The biggest names of the corporate world visit the campus on a regular basis, with enviable recruitment offers. Our students have come up to the expectations of the organizations that visit our campus, looking for bright candidates to take up important and challenging responsibilities at their workplace. The T&P Cell boasts of maintaining an excellent rapport with a wide spectrum of companies spread across various industry sectors. Over the years, the T&P Cell has maintained good and strong relationship with Industries across the country and as a result, has built up an impressive placement record both in terms of percentage of registered students placed, as well as the number of companies visiting the campus. The T&P section assists the departments in placement of students at major industries. Our students are placed in more than 114 companies, which include company visited campus over the period of time with a package ranging from 2.8 -4.6 lac per annum. We truly appreciate the faith bestowed on us from several organizations and we look forward to continuing our relationship with them.

SOME OF OUR TOP RECRUITERS

NCC

At Sarvepalli Radhakrishnan University Bhopal, education transcends the traditional classroom setting. We believe in nurturing well-rounded individuals through a holistic approach that combines academic excellence with experiential learning.

The National Cadet Corps (NCC) in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. Platoon of 43 boys SD cadets & 11 Girls SW Cadets under the 12 MPCTR NCC Bhopal unit and 1 platoon is raised in Sarvepalli Radhakrishnan University Bhopal on 21-Oct-2021.

The NCC in India was formed with the National Cadet Corps Act of 1948. It was raised on 15 July 1948. The National Cadet Corps can be considered as a successor of the University Officers Training Corps (UOTC) which was established by the British in 1942. During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace times.

A committee headed by Pandit H.N. Kunzru recommended a cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15 July 1948 the National Cadet Corps came into existence.

INTRODUCTION

Government of India and State Govt. with joint venture seeks a young person to help and channelize their energies and capabilities towards nation building activities by organizing them into volunteer groups. National Service Scheme (NSS) has a vital role to play in this regard and personality development of the Students and upliftment of society. It provides an opportunity to devote their time to the service of the nation and a sense of participation in national reconstruction and inculcation of social responsibility be created in the youth by providing a creative outlet for their energies through National Service Scheme.

The National Service Scheme (NSS) was evolved and introduced by the Government of India in the year 1969. It aims in developing amongst students a sense of participation in nation building through Social Work. This deepens understanding of the social environment and enriches his/her personality through actual participation in the day-to-day life of the society. This process of learning is not only a desirable supplement to the classroom education but develops in the student a sense of responsibility, tolerance and cooperation. NSS plays a vital role in the development of the latent aspects of the student's personality. Since the establishment of the University in 2014, the NSS unit has been functioning with full vigour and enthusiasm from the year 2019.
