

Sarvepalli Radhakrishnan University

SPORTS & CULTURAL POLICY

APPROVED IN BOM Dt. 19/01/2018

SARVEPALLI RADHAKRISHNAN UNIVERSITY BHOPAL

SPORTS AND CULTURAL POLICY

Rationale of the Policy

The basic rationale of the policy is to reach out to all registered students of the University by addressing their sporting and recreation needs. The policy aims to encourage students to undertake all such activities that develop healthy and long lasting life styles

Sports Mission

The SRK University is committed to support the development of a sustainable and diverse sport and recreation system that will provide a complete learning experience to its students as it believes that participation in competitive sports and recreation activities form an integral part of university education

Scope of the Policy

The policy is designed to deal with concerns raised in relation to the specific issues which are prerequisite to maintain good sportsmanship and respect toward each other and visiting individuals or teams.

Definitions

- *Physical education* is the process of gaining knowledge, skills and attitudes, mainly through physical activity
- *Physical activity* covers all movements in everyday life which accelerates the heart rate, predominantly through games, sport, dance and recreation
- *Recreation* is the experience that results from freely chosen participation in physical, social, intellectual, creative and spiritual pursuits that enhance individual and community wellbeing.
- *Sport* is a particular form of recreation requiring a combination of physical, technical, tactical and mental skills.
- *Sport Programme* is a sub-set of the Recreational Services Department comprised of both Intramural Sports programming and Sport Club activities.
- *A tournament* is a competition involving a relatively large number of competitors, all participating in a sport or game.

Accountability

As per the students of the University, Directorate of Sports and Physical Education shall be responsible for implementation and ensure compliance with this policy.

General Rules and Regulations

1. Participation in a sports activity at the University shall be voluntary. Therefore, every student/player shall be responsible for his/her safety and the safety of his/her fellow

students. The University shall not provide health insurance to cover participants during university sports.

2. Every participant assumes sole responsibility for any and all such risk or injury that may result due to his/her voluntary participation. Therefore, the University shall not be responsible for injuries sustained while participating in any sporting activity of the University.
3. Every participant in the sports activities organized by the University shall understand and acknowledge that the use of equipment and facilities provided by the University.
4. Participants shall not interfere with employee duties, use obscene language, or engage in verbal and/or physical abuse of employees or other participants.
5. No participants shall be allowed to use of drug, alcohol, and tobacco products at sports activity venues.

Eligibility of Players/Participant

1. All currently enrolled students of post-graduate students of the University and undergraduate students of the affiliated college of the University are eligible to participate in the sports events/activities of the University.
2. The participants of the events/activities must present their University issued ID before each contest in order to participate in any sports activity/event.
3. All coaches, team captains, and bench personnel must be on the team roster and meet sports eligibility criteria of the University.
4. Any team found using a player that is playing under a fictitious name or ID will forfeit all games in which that player checked-in. The player using an improper ID and the player providing the ID to be used illegally will be suspended. The team captain may also be suspended at the discretion of the Director of Sports and Physical Education.
5. Unauthorized use of a University issued ID will result in confiscation and/or university disciplinary actions.
6. Team captains are responsible for knowing the eligibility status of the players on their team. The Director of Sports and Physical Education reserves the right to suspend any captain or team that intentionally or unintentionally uses ineligible players.
7. During interdepartmental/inter-college tournaments, all contests in which an ineligible player participated shall be recorded as a forfeit win for the opposing team. During tournament play, the last contest in which an ineligible player participated shall be recorded as a forfeit win for the opposing team, where possible.

Disciplinary Procedure for Unsportsmanlike Practices

1. The players in any sports activity/event who choose to follow unsportsmanlike practices before, during, or after a contest, whether directed towards staff, an official, an opponent, or a spectator may be expelled from that contest. The contest official(s) may expel the player at any point before, during, or after that contest on sufficient ground.
2. A Player expelled from any sports contest for any reason must leave the playing facility immediately after providing their contact information, and are barred from all sports activities until officially reinstated by the competent officer/bodies for the purpose.

3. If the expelled player does not provide their contact information, it is the captain's responsibility to provide the necessary information. Failure to do so may result in a forfeiture of the contest and a possible player, captain, or team suspension.
4. A player who receives two unsportsmanlike penalties in football, two unsportsmanlike technical fouls or one flagrant foul in basketball, two yellow-cards or one red-card in soccer or volleyball, two major penalties in floor hockey, or the equivalent in any other event will be expelled from that contest.
5. All players are expected to follow the code of conduct before, during, and after participation in the sports activity.
6. Any player who is believed to be under the influence of alcohol or drugs will not be permitted to participate or remain at the sports event or site of event. Players consuming alcohol and/or drugs, or who have consumed alcohol and/or drugs before a contest will risk forfeiture of the game and may be expelled from further play.

Facility and Equipment Reservation

There are several Campus sports/Recreation facilities/ spaces and equipment that may be reserved or rented. Information about reserving space and/or renting equipment can be obtained from the office of Directorate of Sports and Physical Education or by emailing them.
